2009 Long-Term Care Insurance Prices Rise Slightly, Range Widely

A 55-year-old individual considering a basic level of long-term care insurance protection -- a \$100 daily benefit and three years of coverage -- can expect to pay \$723 a year if married or \$1,060 if single, according to the 2009 Long-Term Care Insurance Price Index.

Don't Leave Children Unequal Shares By Mistake

Siblings do not always receive equal shares of a parent's estate. Sometimes the inequality is intentional and sometimes it is accidental. In either case, it is important to take care to avoid unintentional consequences.
